12/5/2015, Manmatha Chitrai Navami Thillaisthanam swami's aradhanam was done at swami's Brindavanam opposite Sri Dasavathara Sannidhi Srirangam. Swami was an independent yathi who actively propogated Ahobila Muth sampradhayam. Sri Sathakopa Ramanuja Yathindra Mahadesikan was swami's ashrama tirunamam but he was known better as Thillaisthanam swami. He spent several years in Tulasi Thottam Prasannakrishnaswami temple Bangalore. His shishyas and their progeny are celebrating his tirunakshatram and aradhana in a grand manner in the temple. Swami attained paramapadam at Srirangam so his brindavanam is here and swami's aradhana was observed with Veda/divyaprabhandha parayanam at swami's Brindavanam . Tirumanjanam was done to swami's divyamangalvigraham and was followed by Perumal acharya sambhavanai, sattumurai, Perumal theertham, Srisathari and prasadam. Mention must be made that the renovated Brindavanam with the attached nandavanam is pleasing to behold.

The following are some of the photos taken during the occasion...
